## Report of Principal and School

RSM High School is home of the Trojans. We are a small, rural high school in the heart of Peach Country with a wealth of tradition and a strong connection to our community. Our students know the Alma Mater, their parents graduated from the high school, and many of the faculty and staff also graduated from the high school. This is a family. We struggle with literacy (reading, writing and critical thinking), but we generally out-perform schools like ours on standardized tests due to the dedication and efforts of students and faculty. As we move forward, we will be integrating a middle school on campus and focusing on ways to prepare our students to become college and career ready when they graduate.

Our school direction is: RSM High School is the center of the community. It remains our main goal to regain "trusted agent" status in this community. Based on our survey results, we have work to do. We remain dedicated to remaining as transparent as possible. Our efforts to inform the community of school events continue to increase (Facebook, Twitter, automated phone calls, etc.). Parents and community members are always welcome.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
